Saturday, April 6 • 8am-4pm

\$55 for MACS Members / \$75 for NonMembers

8-8:30am Continental Breakfast & Registration

8:30 - 11:30 am Mobile A/C Best Practices

11:30 - 1pm Lunch & Vendors Show

1pm - 4pm Mobile A/C Best Practices

**Puerto Rico Convention Center
100 Convention Blvd.
San Juan, PR 00910**

Main Topics

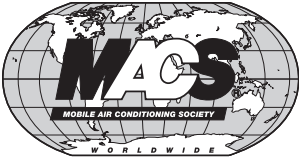

This course describes "Best Practices" service and repair methods pertaining to mobile A/C systems. When adhered to, the procedures outlined in this program should help assure more accurate diagnoses, high-quality long lasting repairs, reduction of comebacks and increased customer satisfaction. Its "Boot Camp" style approach delivers "everything you need/nothing you don't" in a fast-paced, highly informative manner. **Major subjects the course covers include:**

- A/C Systems: What They Do and How They Do It
- A/C System Components: Description and Operation
- A/C System Refrigerants and Oils
- Essential A/C System Service Practices and Precautions
